Hopefully in your new place of work, you can be more  
enthusiastic and can be even more successful.

Today I want to celebrate not just a colleague, but a force of nature who showed us what women's power looks like in action- consistency, bold ideas, and the courage to lead with heart.

Go forth and conquer this next chapter-may your journey continue to inspire, and light the path for others.  
I will miss you, cheer for you, and carry your example forward.  
I will keep in touch with you , we will exchange good recipes.
